Rate information: June rates decreased by another 18 basis points. 20- and 25-year rates are now below 2.50%. We are not sure what to expect from rates in the short-term due to the Corona Virus. Please keep in mind that Banks can refinance their own debt with the 504 Refinance program.

Refinance. Refinance. Refinance. With rates below 2.5% now is the time to use the SBA 504 program to refinance older loans. We can help you refinance your own loans if you need to reduce risk with a client or you need to get the client a better rate to keep them. Cen Cal is here to support you in any way we can. Thank you. Please be safe.
